

RENT-A-HUMAN MAP

WELCOME TO SHUTTERFEST!

Thanks for signing up to participate in our Rent-A-Human program. Now that you've got your badge, where do you go next? Follow these simple steps to get started modeling!

1. Store your belongings

We have provided an area where you may store your belongings. Keep any personal items inside your bag or with you. Remember, we are not responsible for lost or stolen items.

2. Sign up for hair & makeup

Sign up to get in a hair & makeup chair. Names are called in order as chairs become available.

3. Rent a gown

If you are **renting a gown**, check your gown, clamps, and accessories out with the gown attendant. Using your own wardrobe? Skip to step 4.

4. Get changed

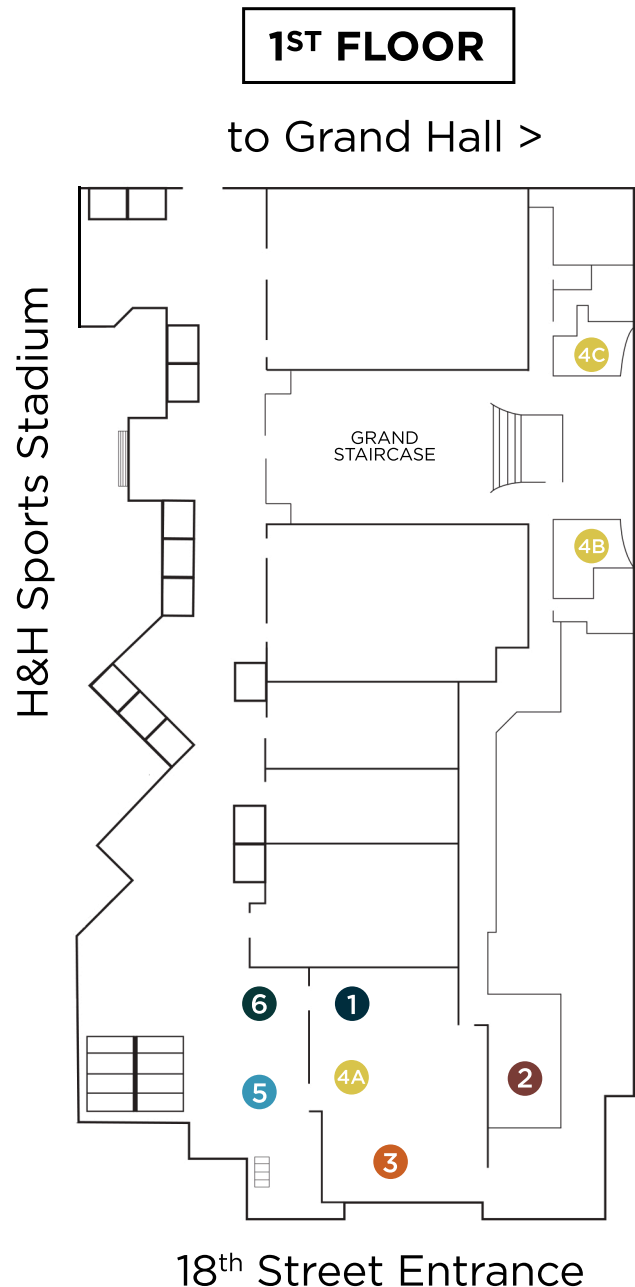

Changing curtains are set up near the model storage area (4A on the map). If there's no space available, you may also change in the restrooms on either side of the grand staircase. (4B and 4C on the map).

5. Get rented

When you're dressed and ready to go, head to the model check-in desk and sign up for the category you are dressed for. The attendants will call names in the order you signed up when there is a photographer ready. Please **REMAIN IN THE RAH AREA AFTER SIGNING UP**. If you do not respond when your name is called, **you will move to the bottom of the list**.

6. Get returned

You may also hear this station referred to as "station 3". After 1.5 hours, your photographer group will need to sign you back in here. If you are ready for another shoot, sign up again at model check-in. If not, head back to hair and makeup to get ready for another category!

Make sure you've read all the rules and regulations of the RAH program.
