ShutterFest Terms and Conditions

- If you're under the age of 18, you must be accompanied by a parent/guardian at all times. • All models are required to sign a ShutterFest release form (you will receive a pdf copy of the release via email, also we'll provide copies at the event). If you are under the age of 18, your release form must be signed by a parent/guardian. • The event is not responsible for personal items and wardrobe brought to the event.
- Due to limited space, if you are taking advantage of our free hair and makeup, parents will be required to wait in the designated waiting area.
- After the event, your photographer will post images to a web gallery. However, you will have to work directly with your photographer. ShutterFest does not have direct access to any images created during the event. We recommend you bring business cards and exchange information directly with any and all photographers you will have the opportunity to work with. Networking is a big part of the event; you will be working with some of the best in the industry.
- Any private photo shoots outside of normal event hours are between you and the photographer directly. By working outside the program, we lose the ability to manage you, your time, or the environment.
- The event is strictly TFP (trade for photography). As a model, you are responsible for your own travel, lodging, and food expenses.
- Negativity will not be tolerated in any way, shape, or form. This includes at the event, among your fellow models, among the parents, and online using social media. This is a tremendous opportunity for you and the photographers. The event and staff have worked hard at coordinating this to provide everyone with an incredible experience. Any negativity will result in being asked to leave immediately and/or banned from future events.
- If you are borrowing any wardrobe provided by the event you are required to follow the rules and regulations for the wardrobe rental, which will be provided to you when checking out the wardrobe. You are not permitted to have the wardrobe past normal event hours under any circumstance.
